Goshen's Municipal Heating Plant-Odd Accident at Hagerstown-Muncie Shooting Affrays.

WINONA LAKE, Ind., Aug. 24.-One of the most important sessions held during the Winona Bible Conference closed today. It was a meeting of the evangelistic committee appointed at the Presbyterian General Assembly at Philadelphia last May, its object being to formulate plans for holding evangelistic meetings all over the United States. A subcommittee was appointed, the Rev. Wilbur Chapman, of New York, chairman, to prepare a list of available evangelists for churches. The Rev. Dr. Balcom Shaw was appointed cial meeting of Presbyterians and to send leaflets outlining such meetings for ministers as were inaugurated by the New York Presbytery at Riverdale. The Rev. George B. Stewart, president of Auburn Seminary, was invited to represent the committee in visiting various cities and to look after The committee will send a comof the committee will be held in Philagelistic preaching and special efforts to ried only two weeks ago. outdoor meetings, wherever such can be nged. The chairman of this committee s John H. Converse, of Philadelphia, who has taken much interest in evangelistic work this summer in the East. The other members who were present were the Rev. Dr. Purvis, New York; the Rev. J. Wilbur Chapman, New York; W. J. Chichester, Chicago; Dr. S. Palmer, Columbus, O.; J. Salcom Shaw, New York; George P. Wilson, Washington; James I. Buchanan, Pittsburg; E. A. K. Hackett, Fort Wayne; Charles H. Holt, Chicago; John Willis

The opening of the Winona Bible Con-ference to-day was led by the Rev. E. F. Hallenbeck, Albany, N. Y. The Rev. Dr. Woelfkin, Brooklyn, made his final address "Unity and Inspiration of the Bible." He was followed by the Rev. James M. ckley, editor of the Methodist Christian Advocate, New York. The afternoon was given over to boating. bathing and golf. Receptions were given at Winona Hotel, the Inn and at the Moody memorial building this evening. Sunday will be the great day of the conference. The meetings will begin at 6 a. m., closing

At the meeting of the directors of Winona last night E. A. K. Hackett, of Fort lyne, was made chairman of the board was appointed to act as an advisory board The board also framed a petition on of a new passenger depot, to be built

John McNeil addressed the people. Among the recent arrivals at the hotels are: A. B. Pope, Chicago; Mrs. James Calahan, Duluth; F. M. Salisbury and wife, Toloton, Vt.; L. S. Vogh, Monmouth, Ill.; Lois Larnkan, Richmond.

QUEER RAILROAD ACCIDENT.

Engine Punches a Hole in Its Own Firebox, Drowning the Furnace.

Special to the Indianapolis Journal. HAGERSTOWN, Ind., Aug. 24.-Friday morning, while pulling a heavy freight train and running at full speed, an engine on the Panhandle was badly damaged in a peculiar manner. The locomotive threw an d hot water and the engine "died" withour hours in getting here, and for that time all traffic was abandoned. The engine was not badly damaged, but for the time was entirely disabled.

Third Fatality in Two Weeks.

Special to the Indianapolis Journal. VALPARAISO, Ind., Aug. 24.-The third fatal driving accident to occur in Porter county within two weeks happened this afternoon, when Daniel Dailey, driving with a team of horses, was struck, receivng injuries from which he died two hours

PETERSBURG BANK ROBBED.

Burglars Blow the Vault and Secure

\$239.30 in Silver. Special to the Indianapolis Journal. PETERSBURG, Ind., Aug. 24.-At 2:30 o'clock this morning the Citizens' State Bank of this place was entered by two burglars, the vault doors blown open with nitroglycerin and \$239.30 in silver taken. Entrance to the bank building was effected by key. The tools used in battering in the vault doors, consisting of a chisel, sledge near the depot. Two shots were required to blow open the double vault door. Before he safe, in which were several thousand ollars, was attacked, some young men who had been attending a dance in the country gave the alarm. The fire bell was frightened away. They retreated as coolly ordered the city attorney to defend Miller s they had performed their daring deed, aking the tools they had used with them for nearly a quarter of a mile, where they law, but the case was appealed to the Cirosited them in some high weeds. The night watchman, the county sheriff and the town marshal soon gave pursuit, ut were unable to make any captures. fany persons are inclined to the belief that ocal talent is responsible for the crime. A stective will arrive here to-day and begin systematic search for the offenders. The Citizens' State Bank was established in 1875. This is the first time it has been visited by robbers. James Shawhan, one of

WILL SEEK A PARDON.

Friends of Paroled Life Prisoner Are Circulating Petitions.

special to the Indianapolis Journal. KOKOMO, Ind., Aug. 24.-The ten days' parole granted by Governor Durbin to John Flemming, a life prisoner, sent to Michigan City Prison in December, of 1888, for the killing of Robert L. Jones, sheriff of Grant

sumption. Flemming, then but twenty ears old, was at the home of his sweetheart, Ida McQuiston. He mistook the made for a fine musical programme every sheriff for a man who had threatened to kill him on sight, and when the sheriff opened the door Flemming slew him before discovering his mistake. Miss McQuiston still remains true to her lover of thirteen years ago, and should the latter be pardoned a wedding will follow. Petitions are being prepared for circulation, and it is thought the pardon will be granted.

Escape of a Paroled Prisoner.

Special to the Indianapolis Journal. VALPARAISO, Ind., Aug. 24.-Warden Shideler, of the State Prison, sent special loyed on a farm in this county, heard of the officers' coming and quietly came to town, drew his money out of the bank while a number of officials were hunting in every direction for him and jumped on a train and escaped. Warden Shideler says Reichenmater was paroled about a month ago. He had been sent to prison from South Bend on a straight fourteen-year sentence case, and because of his good conduct in prison gave him a parole.

THREE SHOOTING AFFRAYS.

Muncle Keeps Up the Record for Getting Its Name in Print.

Special to the Indianapolis Journal. Kelly, aged forty, and his wife, fought on 26th inst. the street. The woman left him in a saloon, went home for a revolver, returned and fired four shots at him in King's saloon. One bullet went through his thigh. Peter Abbott, colored, and William Isaacs had a fight at Helminck's saloon. The colored man went to another saloon and prominent families. They were models of borrowed a shotgun. With two shots he cleaned out the place, but injured no one. At Thomas's gambling room colored men quarreled over craps, and Charles Lamb was shot in the leg. The identity of the assailant cannot be learned.

Third Attempt to Kill Himself.

Wants to Secure the National Pharmaceutical Meeting for 1903.

SOUTH BEND, Ind., Aug. 24.-South secure the 1903 meeting of the American nade a loud whistling, which awakened phia forty-nine years ago, and in 1902 the almost every person within a mile of the track. The fire was put out by the steam and hot water and the engine "died" within a half mile of where the accident oc- meeting, and will do all in its power to A locomotive from Richmond was | induce the association to come here. The city is in every respect able to entertain the hotel and public hall facilities, while railroad lines, some of them the greatest trunk lines in the country, enter from all directions. Few, if any, cities of 40,000 population have better railway connections for all points than South Bend, and its central location makes it an easy point to reach from all parts of the United States. The city has numerous attractions, especially its immense manufacturing interests, with which to entertain members of the assocross the Baltimore & Ohio Railroad track | ciation when they are not occupied with their business sessions. An invitation will be presented at the St. Louis meeting which will set forth the advantages of South Bend and express the hope that the association will select this city for its 1903

BICYCLE LICENSE WAR.

Elkhart Has a Merry Conflict, with Many Arrests Being Made.

ELKHART, Ind., Aug. 24.-For a number of years the City Council has licensed causing the arrest of Patrolman A. B Miller for violation of the state law, although Miller had a licensed wheel. The ng and in this way the burglars were | police department and the City Council without expense to him. Justice Brumbaugh found him guilty under the state cuit Court and is pending. To-day Charles De Frees, who was arrested for riding an unlicensed and unlighted wheel on a walk at night, and was fined on the second count, had Officer Lambert arrested under the state law. De Frees was then arrested on the first count and was placed in jail in default of bail. It looks as though the antis had accomplished their object, and that the wheelmen will be driven from the walks. The great majority of citizens favor the use of the walks, as it gives workinghe wealthiest men in Pike county, has men opportunity to go long distances for been president of the bank for twenty-five warm dinners. The city hopes to win on a technical point, that the state law does not include "concrete" walks in the prohibitory list, the law having been drawn and enacted before concrete was generally

used for walk building. RUSH COUNTY FAIR.
